

COVER LETTER

Dear hiring manager,

I've been working as a web developer in the past 4 years, and everyday I'm seeking a new challenge. I think my experience and skills in JavaScript, HTML, and CSS make me perfect for this role. I've worked in large development teams that have sharpened my technical skills, improved my communication, and made me understand what it takes to meet tight deadlines.

My keen interest in programming and design helps me find creative solutions to technical challenges and develop visually appealing websites. My extensive knowledge of technical standards helps me manage projects efficiently.

Thank you for your time and consideration. I look forward to meeting you soon and I'm happy to answer any questions you have.

Regards,
